

He's Steve from Accounting. And he'd like to keep it that way.

A person's identity is fundamental. Problem is, it's amazingly easy to steal, and complicated to get back. Five years ago, Europ Assistance USA developed a service responding to the identity theft epidemic. Now serving 17 million Americans, our identity theft resolution services save people countless hours of struggle and frustration. Allowing them to be more productive at work and spend their personal time being themselves.

ID Be Me gives your company and your employees these important benefits:

For your employees:

- A complete Resolution Program that relieves the time burden and stress from identity theft victims
- Immediate credit card cancellation and replacement assistance
- Free credit report and credit monitoring upon signup
- Identity tracking to make sure all aspects of the theft are discovered and resolved
- Services available to spouse and dependents
- And much more – see the next page for a complete service description!

For your company:

- Easy implementation
- Easy administration
- Educational and promotional materials to distribute to staff
- Productivity savings—your employees aren't using work time to resolve the theft themselves
- A new benefit to offer in a time of tightening benefits budgets

Give your employees the choice to be themselves
